*As a clinic, we screen all patients upon entering [here](#). Please put on a face mask and sanitize or wash your hands when entering. If you screen positive, please get tested for COVID-19 and provide us with a negative test result or wait at least 20 days after all symptoms or interactions to return. If you are unable to keep an appointment due to a positive prescreen, you will not be charged. If it is an emergency or your symptoms are severe, call 911.*

*\*NOTE: if symptoms are present from unknown cause, it is up to the professional discretion of your healthcare provider or the clinical supervisor to accept you for treatment at this time.*
